Subject: FW: Drive For Five! General Charley Does The Unthinkable!

Dearest Rabbits,

In a STUNNING effort at a mile and 1/16th, our Charley wired the field for his FIFTH win in a row, remaining PERFECT and UNBEATEN at Arlington this summer. In fact this boy hasn't lost since last March! In his sternest test of the summer, we prevailed by a short neck as we were being run down by the field just in sight of the wire – but our Charley dug deep and held them all off until he crossed the finish line.

Let's also put these achievements into perspective. John G Dooley is the Arlington Park Track announcer. As he describes any race, routinely at each 1/4 mile he "Calls" who is on the lead at that stage of the race. So of the 25 "Calls" (5 Calls X 5 Races) that Charley's has had this summer - against the field of 41 horses that have raced against him this entire summer - John has NEVER "Called" General Charley anything other than in 1st Place! Unprecedented! As Sadie Rabbit says – "This Horse is a **Freak**"

I have not yet updated the web site – but will do so by Wednesday. <http://www.redrabbitracing.org>

Check it out as we have all the video, photos and stories of this most unbelievable FIFTH WIN IN A ROW. AGAIN, WE ARE THE ARLINGTON MEET LEADER... Immediately below is a shot of our warrior, just out of the gate, ears pinned back, mane flying straight back, with everyone chasing him – as usual.

As an ownership team, we are unworthy of this horse. He is everything we are not.

General Charley is fearless, we are timid. He says nothing; we run our mouths like schoolgirls. He is a professional, we are barely amateurs.

The only thing we do better than every other owner at Arlington is pump our boy full of carrots. Hundreds of 'em.

What a summer!

Good Luck & Good Racing!

Regards, Rick
